KUCKELKORN ET AL.

Response to Rule 312 Communication**Examiner****Art Unit**

DANIEL A. BERNSTEIN

3743

-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 04 June 2009 under 37 CFR 1.312 has been considered, and has been:

a) ☐ entered.

b) ☐ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☒ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

Please refer MPEP 714,16 section I. The proposed amendment after notice of allowance was not entered, because the proposed claims require more than a cursory review of the record and would involve materially added work on the part of the Office. No amendment may be made as a matter of right in an application after the mailing of a notice of allowance. 37 CFR 1.312 was not intended to provide a way for continued prosecution of an application after it has been passed for issue.
